Welcome Message

Once again we meet in the 14th International Conference of the Egyptian Society of Hematology & Research (ESHR) that will be held at Grand Nile Tower, Cairo, on 25th-26th October, 2017.

On behalf of the scientific and organizing committees, we would like to invite you to attend the most enlightening experience in Hematology.

The Conference will cover the different aspects of both clinical and laboratory hematology including Thrombosis and hemostasis, Anemia, Oncologic Hematology, BMT and Hemato-morphology. The conference will highlight the most recent issues and the topics that are still controversial. National as well as International figures in hematology will address the conference with state of art lectures in the various topics.

Finally we hope this conference will help to enhance the clinical and laboratory skills and knowledge of participants and enable them to discuss with speakers all aspects of Hematology.
