

20th International Conference of the Egyptian Society of Hematology and Research (ESHR)

25 - 26 OCT, 2023
Grand Nile Tower

President of the Conference & Society
Prof. Amal El Beshlawy

Vice President
Prof. Azza Mostafa

Secretary General
Prof. Azza Kamel - Prof. Mervat Matter

Conference Organizer
Prof. Somaya Elgawhary - Prof. Lamis Ragab
Prof. Nevine kassim - Prof. Magda Assem
Prof. Rania Zayed

**20th International Conference of the Egyptian Society of
Hematology and Research
(ESHR)
25-26 October 2023
Grand Nile Tower Hotel - Cairo, Egypt**

Program

Day 1: 25 October 2023

10:00-10:30 Opening & Welcome Session

Prof. Amal Elbeshlawy Prof. Azza Kamel Prof. Azza Mostafa Prof. Mervat Mattar
Prof. Somaia Elgawhary Prof. Magda Assem Prof. Lamis Ragab Prof. Nevine Kassim

10:00-10:30 Opening Speech
Prof. Amal Elbeshlawy
ESHR President

Prof. Azza Kamel
ESHR Secretary General

10:30- 12:00 Session I: Hereditary and Metabolic Anemia

Chairpersons:

Prof. Amal Elbeshlawy Prof. Normeen Kaddah Prof. Mona Eltagui
Prof. Hoda Soud Prof. Somaia Elgawhary Prof. Amina Abdelsalam

10:30-10:55 Sickle cell anemia in Egypt: What about?
Prof. Amal ElBeshlawy
Cairo University, Egypt

10:55-11:15 Novel and ancient therapies in Sickle Cell Anemia
Prof. Ahmed Tarawah
King Salman Medical City, Madinah, KSA

11:15-11:35 Gaucher disease: Think beyond the usual (**SANOFI** symposium)
Prof. Amira Adly
Ain Shams University, Egypt

11:35- 11:55 Niemann Pick disease, the hematological aspects
Prof. Solaf Elsayed
Ain Shams University, Egypt

11:55-12:00 Q&A

12:00-13:00 Plenary I

Chairpersons:

Prof. Azza Kamel

Prof. Mohammed Azzazi

Prof. Nahla Elsharkawy

12:00-13:00 MRD in acute leukaemia: A different from normal approach

Prof. Lucy Wheeler

Delegate of BSH

13:00-13:30 Coffee Break

13:30-15:00 Session II: Bleeding Disorders

Chairpersons:

Prof. Ilham Youssry

Prof. Mona Hamdy

Prof. Fatme Ebeid

Prof. Marwa Abdelhady

Consultant/ Naglaa Omar

13:30-13:50 Inherited Thrombophilia from etiology to clinical applications

Prof. Ilham Youssry

Cairo University, Egypt

13:50-14:20 Updates in the management of hemophilia (**ROCHE** symposium)

Prof. Mona Hamdy

Cairo University, Egypt

14:20-14:40 Plasma derived medicines self-sufficiency project in Egypt

Dr. Ahmed Serag

Strategy and Projects Officer Grifols Egypt for Plasma Derivatives

Plasma Derived Medicines self-sufficiency Presidential Project in Egypt

14:40-14:55 Novel platelets products; an attempt to improve the transfusion service

Dr. Eman Youssef

Cairo University, Egypt

14:55-15:00 Q & A

15:00-16:30 Session III: Coagulation and Hemostasis

Chairpersons:

Prof. Nevine Kassim

Prof. Prof. Mohammed Talaat

Prof. Mona Salah

Prof. Magy Abdelwahab Consultant/ Naglaa Shaheen

15:00-15:20 A guide to platelets function testing

Prof. Soha Abuelela

Ain Shams University, Egypt

15:20-15:40 Debunking myths and revealing facts in heavy menstrual bleeding

Prof. Alia Ayad

Cairo University, Egypt

15:40-16:00 Challenges in Hemophilia management; cases presentation

Prof. Mohammed Talaat

Cairo University, Egypt

16:00-16:20 Are we still in need of new anticoagulants

Prof. Nevine Kassim

Ain Shams University, Egypt

16:20-16:30 Q & A

16:30 -17:30 Session IV: Free papers

Chairpersons:

Prof. Manal Niazy

Prof. Mohamed ElShanshoury

Prof. Basma Elgamal

Prof. Lobna Refaat

Prof. Hossam Hamdy Zawam

16:30-16:40 Targeted next generation sequencing for mutational profiling of Egyptian lymphoma myeloma: A pilot study
Prof. Hossam Hamdy Zawam
Cairo University, Egypt

16:40-16:50 Characteristics and Prognostic Significance of *TP53* Alterations in Precursor B-cell Acute lymphoblastic leukaemia
Hend Mokhtar Attia
School of Medicine, New Giza university

16:50-17:00 The prognostic role of C-KIT, TET1 and TET2 gene expression in Acute Myeloid Leukemia
Dr. Samar ElShazly
Cairo University, Egypt

17:00-17:10 High Frequency of ASXL1 and IDH Mutations in Young Acute myeloid Leukemia Patients
Prof. Fatma ElRefaei
Cairo University, Egypt

17:10-17:20 Impact of ACE2 gene on the susceptibility of COVID19 infection among Denovo Acute myeloid leukemia
Dr. Aya Hegab
Cairo University, Egypt

17:20-17:30 Q & A

17:30 -18:30 Dinner Together

Day 2: 26 October 2023

10:00-11:30 Session V: Hemato-oncology I

Chairpersons:

Prof. Magda Assem Major Gen. Dr. Mohammed Khlaaf
Prof. Wafaa Elmetnawy Prof. Nahed Abdelwahab Prof. Reham Rashed

10:00-10:20 Precision medicine in pediatric hematology oncology: 32-year experience at university hospital: evidence-based medicine

Prof. Soad Al Jaouni

King Abdulaziz University, Jeddah, KSA

10:20 -10:40 Recent advances in CML therapy and monitoring and prediction of TFR

Prof. Dr. Yasser Elnahhass

Cairo University, Egypt

10:40-11:00 Optimizing targeted drugs in leukemia

Major Gen. Dr. Mohammed Khalaf

Maadi Armed Forces Compound, Egypt

11:00-11:25 G-CSFs CIN Optimal Prophylaxis Regimen

(**SANDOZ** symposium)

Prof. Nihad Tawfik

Cairo University, Egypt

11:25-11:30 Q&A

11:30- 12:30 Plenary II

Chairpersons:

Prof. Amal Elbeshlawy Prof. Lamis Ragab
Prof. Alaa El-Haddad Prof. Nesrine Elgharbawy

11:30-12:00 Artificial Intelligence in Hematology

Prof. Nadia Badrawy

Cairo University, Egypt

12:00 -12:30 Maleficient anemia: Think of the less expected

Prof. Hanan Hamed

Ain Shams University, Egypt

12:30 – 13:00 Coffee Break

13:00-14:50 Session VI: Hemato-oncology II

Chairpersons:

Prof. Hossam Kamel
Prof. Hala Farawela

Prof. Mervat Mattar
Prof. Ebtessam Saad

Prof. Osman Mansour
Prof. Usama Elsafi

13:00-13:25 Monoclonal antibody treatment in malignant hematology
Prof. Mervat Mattar
Cairo University, Egypt

13:25-13:50 Fifth WHO/ICC classification and diagnosis of MPN and related conditions:
Differences from previous versions and from each other
Prof. Magda Sultan
Alexandria University, Egypt

13:50-14:15 Splenomegaly: Spotlight on myelofibrosis (**NOVARTIS** symposium)
Prof. Mohamed Abdel Kader
Cairo University, Egypt

14:15-14:40 Multiple Myeloma (**TAKEDA** symposium)
Consultant/ Gamal Fathy
Naser Institute, Egypt

14:40 -14:50 Q & A

14:50-16:20 Session VII: Stem cell transplantation and cellular therapy

Chairpersons:

Prof. Mohammed Abdelmoeti
Prof. Raafat Abdelfattah

Major Gen. Dr. Mahmoud Salah

Prof. Khaled Salama

Prof. Hala Gabr

14:50-15:10 Gut microbiota and HSCT
Prof. Ghada Mossallam, NCI, Cairo University
Cairo University, Egypt

15:10-15:30 The worst ever scenario in AML.
Prof. Omar Fahmy, Faculty of Medicine, Cairo University
Cairo University, Egypt

15:30-15:50 Integrating CAR-T cell therapy in the management of DLBCL
Major Gen. Dr. Mahmoud Salah
**Head of the department of hematology and bone marrow transplant,
Global Medical Center, Egypt**

15:50-16:10 HSCT in Thalassemia: Donor Issues in Clinical Practice
Prof. Eslam Elhawary
Tanta University, Egypt

16:10-16:20 Q & A

16:20-18:00 Session VIII: Free Papers & Cases Presentation

Chairpersons:

Prof. Azza Mostafa Prof. Ragia Badawi Prof. Gehan Lotfy
Prof. Ahmed Kaddah Prof. Khaled Abueleinen Prof. Rania Zayed

16:20-16:30 Management of Portal Vein Thrombosis in Children: One Step Forward-Two
Steps Backward
Prof. Gehan Lotfy
Minia University, Egypt

16:30-16:40 Prevalence of Red Blood Cell Abnormalities among Donated Blood in Fayoum
University Transfusion Center, Egypt
Prof. Salwa Bakr
Fayoum University, Egypt

16:40-16:50 Transfusion-Related Alloimmunization: Prevention Is Better Than Cure
Dr. Hossam Mohammed
Fayoum University, Egypt

16:50-17:00 Case I
Prof. Douaa sayed
Suez University, Egypt

17:00-17:10 Case II
Dr. Aya Elmaraashly
Cairo University, Egypt

17:10-17:20 Case III
Dr. Lamiaa Abdelfattah
Cairo University, Egypt

17:20-17:30 Case IV
Dr. Hend Abdelhady

Cairo University, Egypt

17:30-17:40 Case V
Dr. Lamyia Hany
Cairo University, Egypt

17:40-17:50 Case VI
Dr. Maysa Farghaly
Suez University, Egypt

17:50-18:00 Case VII
Dr. Rasha Elgamal
Suez University, Egypt

18:00 -19:00 Farewell Dinner
